**Site Contents:**

This is the first part of our website, our homepage. It consists of a welcome message and Sunnyvale High School's logo for decoration.

This is the next part of our website, our "About" page, which holds two features with a dropdown menu. On a page titled "About the Creators", it consists of our inspirations of our site.

### Sam Abraham

Sam is a senior at Sunnyvale High School who has teamed up with Thomas to undertake this community service promoting project. He has previous experience with on and off campus community service and he will be dedicated to helping others experience and achieve the same goals.

The second part of our “About” page consists of a page titled “Help Center”, which consists of how to reach out to my partner and I, via email and phone. It also stores our main location, which is embedded in a “Google Maps” pinpointed location.
